During Elba Board of Education meeting

## Money becomes main focus

by Ferrin Cox, Publisher

The Elba City School Board met last Thursday evening, Nov. 6, in a meeting normally scheduled for the second Tuesday, which would have been Nov. 11<sup>th</sup>.

Money was the controlling force of the meeting as board members received updates on the regular financial status of the school's operations and questioned Superintendent Danny Weeks extensively about the huge 25% cut in state funds received in November.

Weeks explained that the information from the state department of education was received just days before payrolls were due. He acknowledged having to borrow from the Capital Projects funds to be able to meet this sudden \$100,000 cut in state funds just as payroll checks were being processed for all school employees.

Weeks said the recently passed statewide amendment to increase the Rainy Day Fund borrowing power will help the expected revenue shortfall across the state but will not solve the problem. He noted that the money will have to be paid back in the next six years, further squeezing education funds.

The school system is also still awaiting transfer of sales tax funds collected by the City of Elba amounting to almost \$200,000. City officials report they too are having cash flow

problems and have been unable to catch up on this obligation. This originally was caused by less than expected money being transferred from the Elba utility board, which experienced several unexpected large expenses and rate increases during the past year. The city has begun to pay the current tax receipts but has not yet been able to give the school those back funds.

Weeks said that even a 5% cut in state funds will cost the Elba schools over \$20,000 per month or about \$250,000 a year.

Such a cut would first hit teacher aides, lunchroom and janitorial staff, all of which would have to be cut, just to balance the budget as required by state law. Teachers are under contract for one year and will receive their annual pay, again as required by law.

Weeks said the entire staff was working to reduce utility expenses as well as possible by cutting off lights, heating and air conditioning when not needed, etc.

The board approved borrowing money from Troy Bank and Trust to replace the funds taken from the Capital Projects account. This loan was approved with a 4.75% interest rate.

The superintendent also reported delaying the start of the After School Program after being told by state officials they "didn't know when Elba would get the \$175,000 federal grant money" already approved for this project. Those funds are ex-

pected later this month, hopefully before Thanksgiving. It will be serving over 100 Elba children.

Weeks added that educators from the Elba school system have been asked by the State School Board to assist other Alabama school systems in applying for these grants.

Weeks updated board members on the paving project on the softball field, funded with two grants. One from the state for \$10,000 and a \$2,500 from a soil conservation grant.

The board reviewed a draft proposal of the state's First Choice plan. When ultimately activated by the state, it will place every 9<sup>th</sup> grade child on advanced academic class track unless the child's parents sign forms exempting the child from this advanced work. Target date for starting is with the 2009-2010 school year.

The board also reviewed another one of the many state mandated and designed plans for education, named the 21<sup>st</sup> Century Program.

**BEWARE OF DEER CROSSING THE ROAD...** Local emergency personnel responded last Thursday afternoon to the scene of a one-vehicle accident on U.S. Highway 84 past 2901 Old Curtis Road in Elba. Upon arrival they found that a 2008 Chevrolet Impala, driven by Jay D. Fiala of Warner Robins, Ga., had left the roadway and overturned before coming to a halt in a field. Reportedly, a deer crossed the road in front of Fiala causing him to lose control of the vehicle and run off the road. Coffee County EMS was dispatched to the scene, but Fiala was not transported to the hospital. Elba Police Officer Dalton Francis investigated the accident. Also responding to the scene was the Elba Volunteer Fire Department.

## Elba's first-ever Foggy Bottom BBQ Bash considered a success

by Linda Hodge, Editor

Elba enjoyed an exciting and fun-filled day last Saturday, Nov. 8, as the Elba Chamber of Commerce and City of Elba sponsored the first-ever Foggy Bottom BBQ Bash and Arts and Crafts Festival.

The event was held at Miller Memorial Stadium in downtown Elba, and gate receipts indicate more than 1,000 people paid the admission fee for the event. Children under 12 were admitted free.

The Foggy Bottom BBQ Bash, sanctioned by the Florida BBQ Association (FBA), was a cook-off event featuring professional and backyard barbecue contests. Cash prizes were awarded.

"It was a great day in Elba, Alabama," said Kaye Whit-

worth, executive director of the Elba Chamber of Commerce. "A lot of hard work went into planning this event, but it was worth it in the end."

The Foggy Bottom BBQ Bash was proclaimed by the governor to be the 2008 FBA Alabama State Championship. It also was a FBA Triple Crown Contest and was the last chance for teams to qualify for the FBA 2008 Triple Crown Championship set for Dec. 12-13 in Perry, Fla.

In addition, the Foggy Bottom BBQ Bash was a Jack Daniels Qualifier event.

According to Whitworth, 22 professional teams and five backyard teams entered the contest.

"We're excited about the response we received from the teams for our event," said Whitworth. "We weren't sure what to expect with this being our first BBQ Bash, but our expectations were surpassed and the event seemed to be a huge success."

She added that the event would not have been possible without the numerous volunteers that came out last Saturday to work at the event.

"We can't say thank you enough to our volunteers," said Whitworth. "We were very happy to have 'Clutch' close out our Foggy Bottom BBQ Bash Saturday."

volunteers," said Whitworth. Besides the BBQ Bash contests, the day's events included an arts & crafts festival, entertainment and fun and games.

"It truly was a day for the entire family," said Whitworth. "We had a tremendous response from the arts and crafts vendors and the entertainment was great."

The "Wiregrass Star" vocal contest was held during the Foggy Bottom BBQ Bash and Arts and Crafts Festival. According to Whitworth, this event also had a great response with several local talents participating to be named the first

## Coffee County BOE elects new chairman and vice chairman

by Linda Hodge, Editor

Longtime board member Charles Walker offered thanks Thursday evening, Nov. 6, for being allowed to serve District One on the Coffee County Board of Education for 18 years.

Walker was defeated in the Tuesday, Nov. 4, general election by newcomer Joey Arnold for the District One spot on the Coffee County Board of Education. Two evenings later, Walker said his "goodbyes" to the post as board member-elect Arnold sat in the meeting's audience.

"It's been a privilege to represent District One for 18 years on this board," Walker said. "We as a board have debated issues and argued our points, but when it came down to it, we came together and did what was best for the students of Coffee County."

Walker told board members he appreciates their continued support of the schools. He said

the personnel does a great job in teaching the students of Coffee County, and the Coffee County School System is now one that other schools look to.

Walker's fellow board members also offered thanks during last Thursday's meeting as each thanked Walker for his years of service and dedication to the Coffee County School System.

Board member Danny Jernigan also offered a challenge to board member-elect Arnold indicating he has some pretty big shoes to fill in replacing Walker on the board.

During last Thursday evening's meeting, board members voted to elect the board officers for the year. By unanimous votes, Danny Jernigan was elected board chairman and Galen McWaters was elected board vice chairman.

Superintendent Dr. Linda Ingram recommended a few personnel matters that also were

BRAINSTORMS  
With Ferrin Cox

As this is being written on Tuesday afternoon, America is honoring a huge group of citizens who are due the credit for ensuring this country still stands with all its freedoms . . . the millions, past and present, who are veterans of the United States military. There are more stories of individual sacrifices for freedom than any person or group can ever collect into one pile. A little research will also confirm there are untold thousands of such sacrifices which have gone unheralded. There are variations to this quote but the following is fairly close to being accurate: In 1940 Winston Churchill said "Never in the field of human conflict was so much owed by so many to so few." Oh so true and that was in "just" one of history's wars.

A veterinary staff in a Boston zoo recently had the daunting task of performing a colonscopy on a 36 year old, full grown gorilla. Not only did they do the test, they also took some tissue biopsies for additional testing. The head vet had some comments to the press later, so he survived the task. We can only imagine the tension those folks experienced as they were preparing for and carrying out this examination on a wild animal that probably didn't enjoy it any more than a human patient does.

The United States will get a new president when Barack Obama is sworn into office in January, but he also gets a task no one should wish on their very worst enemy. The U. S. economy continues to bleed daily as the business news, the financial news and the employment news seem to never have any bright spots. It just happens that we are reading a history book on the Great Depression of 1929. It was a Father's Day gift we are just now getting around to reading. Mostly this book is about the political side of it, how the government tried to solve the economic problems, etc. This book is not overly kind to Roosevelt and his advisors. Our biggest concern is the continued efforts (and strong beliefs) of many Roosevelt advisors to nationalize every phase of business, utilities, railroads, banking, steel and aluminum mills, etc., to get things going again. Millions were spent on trying to establish collective farms, as Russia was doing! Tax rates were raised to well over 75%. We have read up to the events of 1938 and there is still no real solution, making us believe those who contend WWII got America out of the depression may have a point. Pray to God that another world war is not the answer for us today.

A scary theme keeps running through our mind while reading the historic Depression story of "The Forgotten Man". There are so many things happening today which are almost rubber stamps of the events during the late 20s and the 30s that it could keep a real worrier awake at night. We would suggest that President Elton Obama assign several of his smartest economic advisors to go back to the historical records and absorb everything they can about the mistakes made during those long years of recovery. One thing available today that wasn't around during that time is Social Security. Actually an outgrowth of the depression, this monthly check received by so many Americans today will go a long way in preventing the extremes of the 1929 market crash. It will routinely circulate dependable dollars back into the economy every month.

## Entertainers wow crowd at Elba's Foggy Bottom BBQ Bash

While barbecuers perfected their meats for the contest last Saturday, Nov. 8, in Elba, the Foggy Bottom BBQ Bash and Arts and Crafts Festival offered plenty of other activities to keep everyone busy. Highlighting the day was the variety of scheduled entertainment. From a vocal contest to concerts from a rising country music artist and "America's Favorite Showband," Elba was definitely the place to be last Saturday if you wanted to be entertained.

Country music artist Shane Owens took the stage mid-afternoon last Saturday during the Foggy Bottom BBQ Bash & Arts and Crafts Festival. Owens delivered an exciting show as he performed a variety of songs. After his concert, Owens spent time with fans autographing items and posing for pictures.

The showband "Clutch" from Panama City Beach, Fla. closed out the first-ever Foggy Bottom BBQ Bash & Arts and Crafts Festival last Saturday evening in Elba. The band performed many classic tunes for the crowd and (as shown above) went the extra mile by dressing for the part as they performed songs by famous several famous artists. Above, a member of the band portrays Dolly Parton.

While the Elba Chamber of Commerce and City of Elba hosted the first-ever Foggy Bottom BBQ Bash & Arts and Crafts Festival last Saturday, Nov. 8, the day also featured another new event. As part of the day's event, the Wiregrass Star vocal contest was held and several local singers took their shot at being named the first "Wiregrass Star." The winner was announced prior to the Foggy Bottom BBQ Bash awards ceremony. Above, Eddie Vaughan, president of the Elba Chamber of Commerce Board of Directors, presents the \$500 cash prize to "Wiregrass Star" winner Sarah Emily Prestwood of Slocomb, Ala. To the right, Prestwood is shown delivering her winning performance earlier in the day.

## LETTERS TO THE EDITOR

Editor:

Whether you supported Obama or not you should hear what I need to say.

If you are receiving this message then you know me. The kind of person I am and the things I stand for. I just want all of you to know that as I looked on last night (Tuesday, Nov. 4) at our new President, our Vice President and their combined families on that stage. I was looking at my America. The one that I live in and take great pride in. An America that crosses all lines, race, age, economics, education, religion. The very things that tend to separate this nation are the things that brought it together last night (Nov. 4th)!!!

My 15-year-old son watched in awe and with pride as President Obama gave his speech last night he looked at me and said "Wow!!! I knew we could do it!!!"

My 12-year-old wife woke this morning and I announced, "Mommie, we did it!!!"

They look at this man and see themselves!!! Mixed heritage, single mother, struggling economics.

Then my 14-year-old daughter asked me, "Why are you crying?" I almost got mad at her, and then I realized that she

Zeigler issues recall

R.L. Zeigler Co. Inc., a Selma, Ala. firm, has issued a recall of approximately 28,610 pounds of hot dog products that may be contaminated with *Listeria monocytogenes*.

Agriculture & Industries Commissioner Ron Sparks says the department's Food Safety Division is currently doing recall effectiveness checks at Alabama grocery stores and warehouses. The following products, all with the establishment number "P-91568" inside the USDA mark of inspection, are subject to recall:

- 12-ounce packages of "ZEIGLER WIENERS, MADE WITH CHICKEN AND PORK, ARTIFICIALLY COLORED." Each package bears the use-by date of "Nov. 26, 2008" and
- 12-ounce packages of "VAC-UUM PACKED PAR-TIPUPS." Each package bears the use-by date of "Nov. 26, 2008"

- 12-ounce packages of "ZEIGLER Original Recipe WIENERS, artificially colored." Each package bears the use-by date of "Nov. 26, 2008"
- 16-ounce packages of "Zeigler Jumbo Franks." Each bears the use-by date of "Nov. 21, 2008"

- 12-ounce packages of "Zeigler Hot Dogs." Each bears the use-by date of "Nov. 26, 2008"
- 10-pound bulk boxes of "SKINLESS WIENERS, ARTIFICIALLY COLORED, 10 WIENERS PER LB." Each bears the package code "PK 092208A"

- 10-pound bulk boxes of "SKINLESS WIENERS, 10 WIENERS PER LB." Each bears the package code "PK 092208A"
- 10-pound bulk boxes of "SKINLESS WIENERS, 12 WIENERS PER LB." Each bears the package code "PK 092208A"

The hot dog products were

produced on Sept. 22, and were sent to food service institutions and retail establishments in Alabama, Florida, Georgia, Mississippi, and Tennessee. The problem was discovered by the Georgia State Department of Agriculture through microbiological testing. FSIS has received no reports of illnesses associated with consumption of this product. Consumption of food contaminated with *Listeria monocytogenes* can cause listeriosis, an uncommon but potentially fatal disease. Healthy people rarely contract listeriosis. However, listeriosis can cause high fever, severe headache, neck stiffness and nausea. It can also cause miscarriages and stillbirths, as well as serious and sometimes fatal infections in those with weakened immune systems.

## THE PRESSBOX

BY RICKY MULARZ, SPORTS EDITOR

Troy University celebrated homecoming last weekend and it was a very busy weekend for Melanie as she walked in the parade with the Trojan Ambassadors, changed clothes to work the tent with her sorority sisters and then changed back to help the alumni as they arrived for the game. I know she was tired, but she did find time to have a little fun later in the day as we called Saturday night and she was at a party at a fraternity house. I only wish I had half her energy!

## The Elba Tigers put up a fight...

The Elba Tigers put up a gallant fight for all four quarters Friday night against two-time defending state champ Leroy, but were simply outmanned as they suffered a 47-21 loss and were eliminated from post-season play. Leroy scored on all four of its first quarter possessions to grab an early 26-0 lead, and while Elba did match the undefeated Bears score for the remainder of the game, the Tigers never really threw a scare into the Bears despite the fact they sat their all-state quarterback for most of the second half with a slight ankle injury. Elba played hard for all four quarters and had nothing to hang their heads about after the game, it simply lost to a better team.

Elba's offense rolled up almost 300 yards in the loss and was once again led by freshman quarterback Michael Lindsey. Lindsey missed some time in the second half with cramps, but still managed to run for 115 yards and 2 touchdowns and completed 11 of 22 passes for 122 yards. For a freshman to be able to roll up 237 total yards of offense against the #1 team in the state was quite an accomplishment! Junior halfback Carlos Matias also ran hard and picked up some tough yardage up the middle, while receivers Gavin Respress, Richard Cooks and Kendrick Robertson combined for 12 catches for 127 yards. The Elba offense had a pretty good night and held its own against the Leroy defense. Over on defense the Tigers allowed three scoring drives of over 60 yards and at times were overwhelmed by the skilled players on the field for Leroy, but the defense did play hard and also saw the Bears score on drives of 31, 27 and 17 yards. Against a team as good as Leroy it isn't fair to expect a defense to make stops on a short field.

Looking back, Elba did have a couple of chances to keep the score a little closer and made a few mistakes that allowed the game to get out of hand early. However, Leroy was better than Elba and that was the bottom line.

## Area teams had mixed results...

Area teams had mixed results last week as the state playoffs kicked off with the New Brocton Gamecocks being eliminated and the Brantley Bulldogs moving on. Here's a quick look back...

\*\*\* **New Brocton** (6-5) saw its worst nightmare come true in a 33-0 road loss to Millry as the Gamecocks suffered six pass interceptions, two of which were returned for touchdowns, and could never get anything going on offense as their season came to an abrupt end. New Brocton had high hopes heading into the game and played hard, but simply never got a break and learned a lesson in Football 101 that in the years to come it may pay dividends.

\*\*\* **Brantley** (11-0) jumped out to a 21-0 first quarter lead and then put it in cruise in a 28-14 win over Marengo. The Bulldogs were still a little short-handed as they tried to get back to full speed after being hit by key injuries and it showed as the Brantley coaches played it close to the vest and moved on for another week of action. It may not have been as exciting a game as Bulldog fans were used to, but it was a win and that was all that counted.

## The state high school football playoffs...

The state high school football playoffs kicked off last week and as a whole things were a little more calm than usual as only three #1 seeds were upset. The top seeds that lost at home included Barbour County and Sand Rock in 2A and Midfield in 4A, and two of those games really weren't all that big of a surprise. There were a total of 96 games held last weekend across the state, and with only three four-seeds and seventeen three-seeds advancing, I would say things went pretty much as expected. Here's a closer look back...

\*\*\* **Class 1A** - It wasn't a good week for area teams as the Arantley lost to J.U. Blacksher 22-21. Geneva County was blanked by Sweet Water 49-0 and McKenzie was knocked off by McIntosh 26-14, while across the state some games that caught my eye included unbeaten Linden clobbering Winterville 66-0, Hazlewood dumping Lynn 63-7 and South Lamar outscoring Phillips 79-46.

\*\*\* **Class 2A** - The week wasn't kind to area teams in this class either as Elba lost to Leroy 47-21. Barbour County was upset by Washington County 18-6 and New Brocton was blanked by Millry 33-0, while Houston Academy did salvage a little pride for the Wiregrass with a 32-14 win over Flomaton. Across the state a couple of scores worth noting included Clay County over West End 48-6 and American Christian over Keith 44-14.

\*\*\* **Class 3A** - The opening week wasn't as cruel to area teams (Core as Daleville ousted Bayside 21-17, Luverne defeated Pike County 33-14, T.R. Miller walked over Dale County 42-6 and Slocomb blasted Straghan 46-14. Another score worth mentioning was Leeds wiping out Pisgah 51-0 for its eighth shutout in eleven games.

\*\*\* **Class 4A** - The only real area team in this class was Opp, and the Bobcats were simply no match as they lost to UMS-Wright 49-14. The Bobcats owned a 5-2 record a few weeks back, but ended the season with four straight losses and closed with a disappointing 5-6 record.

\*\*\* **Class 5A** - The area teams also struggled here as Eufula was pounded by Vigor 30-7 and Charles Henderson was blanked by Citronelle 3-0, while a look across the state found Montgomery Carver rolling past John Carroll 53-15 and Greenville falling to Briarwood Christian 15-14.

\*\*\* **Class 6A** - There weren't many area teams in this class, but Enterprise was ousted with an opening round loss to Wetumpka 26-15 as the Wildcats were once again an early-round casualty. Other games included Prattville routing Smiths Station 55-0 and in a wild one Bob Jones outscored Oxford 48-45.

\*\*\* As the playoffs enter second week action there are very few teams with mediocre records and no teams left with losing records. 2A participants Washington County and Woodland both own a 6-5 record, while there are six teams left with 7-4 slates and in 1A and 3A all the teams left have at least eight wins. Hey, this thing could get very interesting in the weeks to come.

## For what it is worth...

\*\*\* Elba's Coach Mack Wood always said before a team can win a championship it must find a way to survive one night when it is playing a long way from home and nothing is going right. That may have been the case Saturday in Alabama's 27-21 overtime win over LSU, because the Crimson Tide didn't get a call the entire game and in the end had to overcome a very good LSU team and its own mistakes to remain undefeated. Alabama still has two big conference games left and I hope the players now have the confidence to realize they can win even on those nights when maybe the cards are stacked against you.

\*\*\* Auburn broke loose late to get past Tennessee-Martin 37-20, but tens of thousands of fans weren't around the end to cheer the Tigers on as most of the students and many others were long gone as the Tigers struggled for three quarters of play against a team that should have been little more than a scrimmage. Some Auburn fans that stuck it out are now declaring the Tigers are "back," but I'll reserve judgment until after the game against Georgia before I even think about patting any of the Auburn coaches and officials on the back.

\*\*\* Now that Penn State has been defeated many national TV sports analysts can go ahead and write off the Big Ten as just an average conference. Those same so-called experts are still high on the bandwagon for the Big 12 just because some of the teams can light up the scoreboard against weak sisters from the conference. As for me, let any of the teams in either conference play in the SEC and see what happens. I have a pretty good idea those same

In a time of uncertainty there is one thing that is certain. We serve a God that is the same today as He was yesterday, and He will be the same tomorrow. We find, in Philippians 4:5-7, Paul inspired by God, writes "Let your gentleness be known to all men. The Lord is at hand. Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; and the peace of God, which surpasses all understanding, will guard your hearts and minds through Christ Jesus." Paul's advice for anxiety is to give wings to every distraction or paralyzing worry; to turn it into prayer, anticipating, even while asking, a loving God's reply "with thanksgiving. If you have never asked Jesus into your life won't you do it today. Worship Him somewhere Sunday. If you do not have a church home, we welcome you to worship with us at Westside Baptist Church. Read Psalm 9.

\*\*\* And, I have a habit of reading the thoughts of fans in sports forums on the internet and after Elba's loss last week to Leroy I was interested to find out what the Bears' fans thought. The fans were complimentary of the players and the fans, but seemed more than a little overwhelmed with the Marching Tiger Band. All the Internet writers agreed the band was the best they had seen all season and I agree they did put on quite a show. Great job!

## Ye Ole Polish Prognosticator...

Ye Ole Polish Prognosticator dropped by over the weekend and said it looked like basketball season would start a little earlier than usual for many area sports fans after all of last week's losses in the opening round of the playoffs. The only real surprises for the local guesstert was the ease with which Slocomb got past Straghan and New Brocton's shut out loss to Millry. Last week he hit on 21 of 27 picks to move his season totals to 309-81 and left these picks for week #2...

## BRANTLEY VS. J.U. BLACKSHER

The bulldogs from up across the river are still taking all kind of concoctions in an attempt to get all the 'dogs well for this week's playoff match-up against a litter of feisty pups from down near the state line, and unless the homemade remedies start working soon the lights could go out at the pound until next season. There may still be a couple of 'dogs limping around come Friday night and their bark may be a little weak, but the guess here is their bite will be just as sharp as ever.

Elba Tiger quarterback Michael Lindsey (6) reaches for the goal line after a 16-yard run early in the third quarter in last week's 47-21 playoff loss to Leroy. Lindsey scored on the play and during the game rushed for 115 yards and 2 touchdowns on 18 carries and completed 11 of 22 passes for 122 yards.

## To Leroy Bears 47-21

## Elba Tigers ousted in playoff opener

The Elba Tigers found out first hand Friday night just why the Leroy Bears were the two-time defending state champions as they battled for all four quarters on both sides of the ball only to come up far short in a 47-21 loss, in opening round action of the Class 2A state football playoffs.

The loss left the Tigers with a final record of 7-4, while the Bears advanced to second round action with an 11-0 record.

Leroy received the opening kickoff and drove 60 yards in only four plays to get on the scoreboard. Clint Moseley and Michael Bracy both had 10-yard runs to get the Bears headed toward the endzone, while the score came on a 38-yard pass from Moseley to Stephen Scroggins. The extra-point try failed, but with 10:02 remaining in the first quarter Leroy was already in top 6-0.

The Bears began their next offensive series at the Elba 31-yardline after a 9-yard punt and this time needed seven plays to reach the endzone. A 6-yard pass from Clint Moseley to Stephen Scroggins on fourth down and four kept the drive alive early, while the score came on a 29-yard run up the middle by Michael Bracy. Moseley passed to Justin Besteda for the two-point conversion and with 6:42 remaining in the quarter Leroy's lead had grown to 14-0.

Leroy's next possession began at the Elba 27-yardline after an unsuccessful fake punt attempt by the Tigers, and after an off-sides penalty against the Tigers it took the Bears one play to make the scoreboard lights

flicker as Clint Moseley connected with Stephen Scroggins on a two-point pass missed its target, but with 4:55 still left in the first quarter the Bears were in command with a 20-0 lead.

Leroy's next offensive series began at its 30-yardline after an Elba punt and this time it took the Bears only two plays to add to its lead. An 8-yard pass from Clint Moseley to Stephen Scroggins on first down got the Bears moving, while the score came on the next snap when Michael Bracy took a handoff on a draw play and raced 62 yards for a touchdown. The extra-point try failed, but with 1:42 still remaining in the opening quarter Leroy was in complete command with a 26-0 lead over the Tigers.

Elba began its ensuing possession at its 26-yardline after a 19-yard kickoff return by Gavin Respress and the Tigers' offense finally came to life as it marched 74 yards in 10 plays to get on the scoreboard. A 31-yard pass from Michael Lindsey to Richard Cooks on first down got the Tigers off and running, while a 5-yard scramble by Lindsey on fourth down and five kept the drive alive and gave Elba a first down at the Leroy 23-yardline. A 15-yard pass from Lindsey to Respress set the Tigers up with a first down and goal at the eight, and two plays later Lindsey raced around the left end from five yards out as the Tigers got on the scoreboard. Richard Cooks booted the extra-point and with 9:16 left in the half Leroy's lead had been cut to 26-7.

Elba's defense came up with its first stop of the night on Leroy's next possession as

Michael Lindsey made a key tackle for a 2-yard loss on fourth down and three at the Elba 43-yardline, and the Elba offense responded as the Tigers quickly drove to a first down and goal at the Bears' 6-yardline. Lindsey gained 27 yards on four carries and Carlos Matias added a 7-yard dash as the Tigers moved deep into Leroy territory. However, two runs netted only two yards and the scoring threat ended when a fourth down pass was intercepted in the endzone.

Leroy's offense returned to the field with the ball resting on the 20-yardline and covered the 80 yards to the endzone in only six plays to regain command. Clint Moseley completed 4 of 5 passes for 69 yards to lead the Bears down the field, while Michael Bracy scored the touchdown on an 11-yard and the extra-point by Donald Elmore split the up-rights to give the Bears a 33-7 advantage with 1:18 remaining in the half.

Elba received the second half kickoff and promptly marched 61 yards in eight plays to get back into the endzone. Michael Lindsey completed two of four passes for 25 yards and ran for 36 yards on four carries during the scoring drive, with the touchdown coming on a 16-yard dash up the middle. Richard Cooks tackled on the extra-point and with 9:01 remaining in the third quarter the Tigers had trimmed the Bears' lead to 33-14.

Leroy needed only two plays to answer the Tiger touchdown as the Bears covered 56 yards in only thirty-seconds to extend their lead. Michael Bracy gained 32 yards on the first play of the possession, while on the next snap Jarrette Davis took a handoff and raced 24 yards into the endzone. The extra-point by Elmore was again true and with 8:31 remaining in the quarter Leroy's lead was back up to 40-14.

Leroy's final score of the night was set up by a 57-yard interception return by Sammie Coates and covered 17 yards in eight plays. The Bears twice converted on fourth down plays on the short scoring drive, with the score coming on fourth down and goal when Phillip Ervin leaped above an Elba receiver and pulled in an 11-yard touchdown loss from Justin Besteda. The extra-point by Elmore was again true and with 3:12 left in the third quarter

The Elba Tigers found out first hand Friday night just why the Leroy Bears were the two-time defending state champions as they battled for all four quarters on both sides of the ball only to come up far short in a 47-21 loss, in opening round action of the Class 2A state football playoffs.

The loss left the Tigers with a final record of 7-4, while the Bears advanced to second round action with an 11-0 record.

Leroy received the opening kickoff and drove 60 yards in only four plays to get on the scoreboard. Clint Moseley and Michael Bracy both had 10-yard runs to get the Bears headed toward the endzone, while the score came on a 38-yard pass from Moseley to Stephen Scroggins. The extra-point try failed, but with 10:02 remaining in the first quarter Leroy was already in top 6-0.

The Bears began their next offensive series at the Elba 31-yardline after a 9-yard punt and this time needed seven plays to reach the endzone. A 6-yard pass from Clint Moseley to Stephen Scroggins on fourth down and four kept the drive alive early, while the score came on a 29-yard run up the middle by Michael Bracy. Moseley passed to Justin Besteda for the two-point conversion and with 6:42 remaining in the quarter Leroy's lead had grown to 14-0.

Leroy's next possession began at the Elba 27-yardline after an unsuccessful fake punt attempt by the Tigers, and after an off-sides penalty against the Tigers it took the Bears one play to make the scoreboard lights

flicker as Clint Moseley connected with Stephen Scroggins on a two-point pass missed its target, but with 4:55 still left in the first quarter the Bears were in command with a 20-0 lead.

Leroy's next offensive series began at its 30-yardline after an Elba punt and this time it took the Bears only two plays to add to its lead. An 8-yard pass from Clint Moseley to Stephen Scroggins on first down got the Bears moving, while the score came on the next snap when Michael Bracy took a handoff on a draw play and raced 62 yards for a touchdown. The extra-point try failed, but with 1:42 still remaining in the opening quarter Leroy was in complete command with a 26-0 lead over the Tigers.

Elba began its ensuing possession at its 26-yardline after a 19-yard kickoff return by Gavin Respress and the Tigers' offense finally came to life as it marched 74 yards in 10 plays to get on the scoreboard. A 31-yard pass from Michael Lindsey to Richard Cooks on first down got the Tigers off and running, while a 5-yard scramble by Lindsey on fourth down and five kept the drive alive and gave Elba a first down at the Leroy 23-yardline. A 15-yard pass from Lindsey to Respress set the Tigers up with a first down and goal at the eight, and two plays later Lindsey raced around the left end from five yards out as the Tigers got on the scoreboard. Richard Cooks booted the extra-point and with 9:16 left in the half Leroy's lead had been cut to 26-7.

Elba's defense came up with its first stop of the night on Leroy's next possession as

Michael Lindsey made a key tackle for a 2-yard loss on fourth down and three at the Elba 43-yardline, and the Elba offense responded as the Tigers quickly drove to a first down and goal at the Bears' 6-yardline. Lindsey gained 27 yards on four carries and Carlos Matias added a 7-yard dash as the Tigers moved deep into Leroy territory. However, two runs netted only two yards and the scoring threat ended when a fourth down pass was intercepted in the endzone.

Leroy's offense returned to the field with the ball resting on the 20-yardline and covered the 80 yards to the endzone in only six plays to regain command. Clint Moseley completed 4 of 5 passes for 69 yards to lead the Bears down the field, while Michael Bracy scored the touchdown on an 11-yard and the extra-point by Donald Elmore split the up-rights to give the Bears a 33-7 advantage with 1:18 remaining in the half.

Elba received the second half kickoff and promptly marched 61 yards in eight plays to get back into the endzone. Michael Lindsey completed two of four passes for 25 yards and ran for 36 yards on four carries during the scoring drive, with the touchdown coming on a 16-yard dash up the middle. Richard Cooks tackled on the extra-point and with 9:01 remaining in the third quarter the Tigers had trimmed the Bears' lead to 33-14.

Leroy needed only two plays to answer the Tiger touchdown as the Bears covered 56 yards in only thirty-seconds to extend their lead. Michael Bracy gained 32 yards on the first play of the possession, while on the next snap Jarrette Davis took a handoff and raced 24 yards into the endzone. The extra-point by Elmore was again true and with 8:31 remaining in the quarter Leroy's lead was back up to 40-14.

Leroy's final score of the night was set up by a 57-yard interception return by Sammie Coates and covered 17 yards in eight plays. The Bears twice converted on fourth down plays on the short scoring drive, with the score coming on fourth down and goal when Phillip Ervin leaped above an Elba receiver and pulled in an 11-yard touchdown loss from Justin Besteda. The extra-point by Elmore was again true and with 3:12 left in the third quarter

With 33-0 loss to Millry

## Gamecocks make early exit in playoffs

Statistics and photos by Michael Jenkins

The New Brockton Gamecocks made an early exit from the Class 2A football playoffs Friday night after suffering a 33-0 loss to the Millry Wildcats, in Millry.

Millry kicked off to open the game, but got the ball right back at its 28-yardline after a New Brockton punt and stunned the Gamecocks by driving 72 yards to grab an early lead. The score came on a 16-yard touchdown toss from Joseph Whitsett to Dewayne Franks, and the extra-point was true as the Wildcats moved on top 7-0 with 5:24 left in the first quarter.

The Gamecocks lost a fumble on their next possession and Millry quickly converted the turnover into points as Paul Jones scored on a 6-yard run up the middle. The extra-point was again true and with 3:25 still left in the opening quarter the Wildcats were already in front

14-0.

New Brockton began a march toward the Wildcat endzone on its ensuing possession and moved deep into Millry territory on a drive that ate up over six minutes off the clock. The Gamecocks came away empty-handed, however, when a pass was intercepted by Nigel Jones at the Millry 12-yardline.

The Gamecocks got the ball back at their 26-yardline after a Millry punt, but again went to the air and again saw disaster strike as the Wildcats' Damoreo Jones picked off a pass and returned the interception 18 yards for a touchdown. The extra-point was successful and with 4:35 remaining in the second quarter the Wildcats were in charge with a surprising 21-0 lead.

The Wildcats got the ball back late in the half on a New Brockton punt and drove 75 yards to add to their lead before the end of the half. The score came when Paul Jones took a direct snap and bulled over

from 2-yard out, and even though the extra-point try failed Millry was in complete command with a 27-0 lead with 32-seconds remaining in the first half.

New Brockton's offense was forced to play conservatively in the third quarter after three Millry punts were downed inside the Gamecock 12-yardline, and while the Gamecocks did get good field position at the Millry 46-yardline after a fumble recovery by Hayden Smith, the good luck quickly turned bad as New Brockton went to the air and Millry's Wayne Franks picked off the pass and returned the interception 55 yards for a touchdown. The extra-point again failed, but with 7:08 remaining in the fourth quarter the celebration had started on the Millry sidelines as the Wildcats were now on top 33-0.

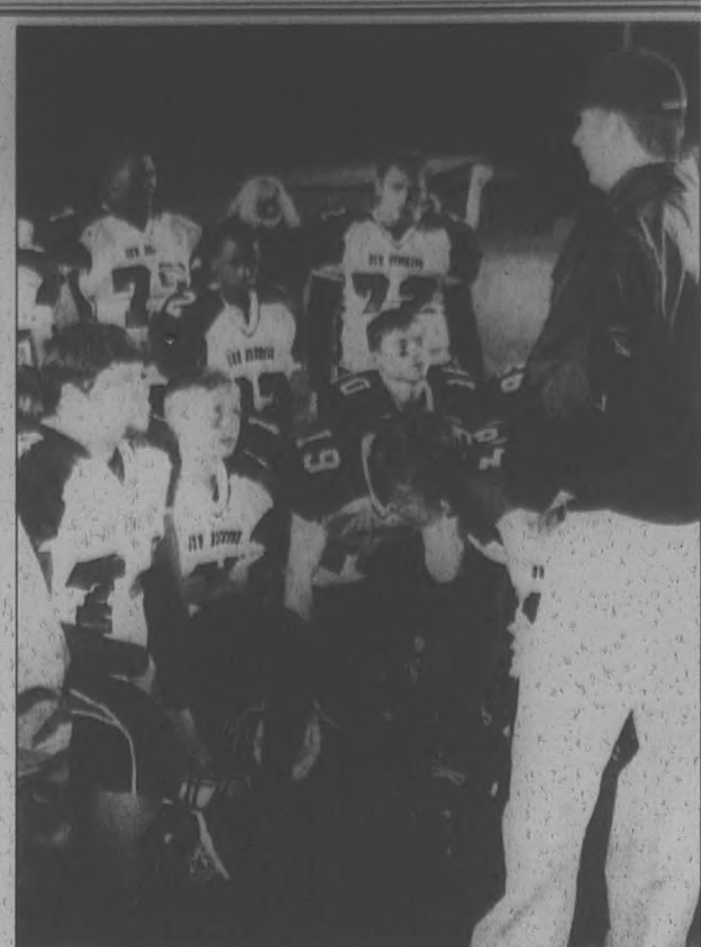

The Millry defense intercepted three passes in the closing minutes of the game to turn back New Brockton's final

comeback hopes and easily held on to eliminate the Gamecocks 33-0.

Tevin McNair gained 90 yards on 19 carries to lead the New Brockton offense, while Chris Green added 21 yards on 6 carries and Hunter Cauley completed 6 of 11 passes for 43 yards. Tevin McNair and David Davidson led the Gamecock defense with 6 tackles apiece, while Matt Halstead and Hayden Smith both had 5 stops. Jeremiah Henry gained 20 yards on 1 carry to lead the Millry ground game, while Joseph Whitsett completed 9 of 21 passes for 140 yards. Nigel Jones sparked the Wildcat defense with 5 tackles and 4-pass interceptions.

## Brantley bulldogs Panthers 28-14

Story and photos by Greg Brunson

The Brantley Bulldogs and Marengo Panthers met in the first round of the Class 1A state football playoffs Friday night at a rain-soaked field in Brantley and the Bulldogs raced out to a 21-0 first quarter lead and then held on to claim a 28-14 victory to remain undefeated and improve their record to 11-0.

The Brantley defense held the Panthers to only seven yards on the initial offensive possession of the night to force a punt, and the Bulldog offense trotted onto the field near midfield after a short punt set the 'Bogs up at the Marengo 47-yardline. Devontae Porter gained 20 yards on the first snap of the possession to set the tone for the series, while six more rushes ended the possession with Anthony Guley scoring on a 7-yard run around the left end. Britt Barnes booted the extra-point and with 6:15 remaining in the first quarter the Bulldogs were on top 7-0.

Brantley's Tory Uphaw picked off a Marengo pass on the game's next play from scrimmage and returned the interception 10 yards to put the Bulldog right back in business at the Panthers' 32-yardline. Three plays later Anthony Guley ran around the left end for 28 yards and a touchdown, and Barnes booted the extra-point to move the Brantley lead to 14-0 with 5:07 remaining in the opening quarter.

One first down and a 37-yard Marengo punt pinned Brantley late at its own 14-yardline in the quarter. However, three running plays moved the Bulldogs out to the 33 and on the next play Stephen Walker took a handoff from Devontae Porter on a reverse and set sails for the endzone. Walker stiff-armed a would-be tackler at the Marengo 40-yardline and later broke loose from another Panther defender on the 67-yard

touchdown run, and Britt Barnes booted the extra-point as the Bulldogs upped their lead to 21-0 with 17-seconds left in the first quarter.

Marengo turned back a Brantley scoring threat midway through the second quarter when the Panthers' Dominique King intercepted a Bulldog pass at the Marengo 11-yardline, and the turnover seemed to pump life into the Panthers as they needed only six plays to cover the 89 yards to paydirt. Ontario Woods broke loose for a 48-yard gain to spark the long scoring drive, while the touchdown came on a 1-yard quarterback sneak by Quintron Watkins. Michael Watkins fired the two-point conversion and with 2:11 remaining in the second quarter Brantley's lead had been trimmed to 21-8.

Brantley's Cassius Tillis intercepted a Panther pass late in the half and the two defenses ruled the action for much of the third quarter as Marengo's Demetrius Craig intercepted a Brantley pass to turn back the period's first scoring threat at the Panthers' 25-yardline.

Brantley put the ball in play at its own 29-yardline after a Marengo punt and struck quickly to regain command. Anthony Guley scored the Bulldog touchdown on a 63-yard sprint up the middle and Britt Barnes drilled his fourth extra-point of the game as Brantley's lead grew to 28-8 with 1:04 remaining in the third quarter.

Marengo answered right back as the Panthers put together a 12-play drive that covered 59 yards and resulted in the final points of the night. Marcus Richardson scored the touchdown on a 1-yard run off left tackle, but the two-point try failed and with 8:35 left on the clock the Bulldogs' lead stood at 28-14.

The Brantley defense finished strong with two more interceptions before the final horn as Devontae Porter and Cassius

## Food plots play major role in deer hunting

By Chris Nix, Wildlife Biologist, Division of Wildlife and Freshwater Fisheries

One of the busiest times for deer hunters in Alabama is the month of October. Many rush out at this time to get food plots planted for the upcoming deer season. Food plots play a major roll for most hunters in the state, but are they the most productive way to provide quality nutrition for a deer herd? Many landowners and hunting clubs are not aware of, or have never considered, the opportunities for improving food sources for deer through management of native vegetation. Nothing has to be planted and managing native, wild vegetation can be the easiest, most cost-effective way to give the deer population a high quality, year round food source.

The white-tailed deer relies heavily on native forage to survive throughout the year. Deer are very selective feeders and feed on various types of grasses, forbs, shrubs, vines, and fruits. The preference that deer have for certain foods usually is directly related to the palatability and nutritional content of the food. In much of Alabama, only small amounts of preferred native plants are available due to poor habitat management practices. Landowners and managers can reduce or eliminate the problems associated with malnutrition by improving the quality and quantity of desirable native wildlife foods through sound habitat management practices.

Shane Owens invited Elba's very own Merrill Curran to join him on the stage last Saturday afternoon during his concert at the Foggy Bottom BBQ Bash to sing a few lyrics in one of his songs.

Members of the Elba Volunteer Fire Department conducted a BB Gun Shoot for youngsters at the Foggy Bottom BBQ Bash.

This young lady enjoyed participating in the "Pudgy Pig" contest last Saturday afternoon at the Foggy Bottom BBQ Bash. The concept of the contest was to see how many marshmallows one can put in his/her mouth and still say "pudgy pig." Other games included a hot dog eating contest and whistle with crackers.

The organizers for the Foggy Bottom BBQ Bash and Arts & Crafts Festival tried to keep everyone in mind last Saturday. They even had a screen set up in the endzone for those desiring to watch the Alabama vs. LSU football game. When Alabama won the game in overtime later in the evening, the screams of these fans echoed across the field.

approved unanimously by the board. These included:

**Certificated Personnel**

• Approve catastrophic leave for Paige Watson, business education teacher at Zion Chapel School. According to the superintendent, Watson expects her leave to begin on Dec. 1, 2008 and end on Feb. 14, 2009.

• Approve catastrophic leave for Tammy Stevens, special education teacher at Zion Chapel School. According to the superintendent, Stevens' leave began on Nov. 3rd and will end on Dec. 1st.

**Support Personnel**

• Approve a leave of absence under the Family Medical Leave Act for Tabitha Sanders, full-time custodian at Zion Chapel School. According to the superintendent, Sanders had surgery and requested her leave begin on Oct. 28, 2008 for a pe-

riod of two to twelve weeks depending on her recovery. Also during the board meeting, Dr. Ingram reported that the various improvement projects at the schools and central office continue to move forward.

While looking at the monthly financial statement, Dr. Ingram noted when the state shorted funding to school systems at the end of October that the Coffee County School System did not have to borrow any funds to cover salaries. She said the school system had enough reserve funds to cover the shortage. She also told board members that notification was received earlier last week that the shorted funds should be received by the end of the week.

The next Coffee County Board of Education meeting is set for Thursday, Dec. 11th.

John and Christina Nelson were among the many, many volunteers that helped make Elba's first-ever Foggy Bottom BBQ Bash a success. According to Kaye Whitworth, executive director of the Elba Chamber of Commerce, organizers can not thank the volunteers enough for the work they did last Saturday.

I would like to extend my deepest gratitude to the citizens who voted during the elections. Meeting the people of Coffee County and listening to their thoughts, needs and hopes for the future has been an exciting learning experience for me. The faith that each of you have placed in me is humbling and I sincerely hope that during the next four years I prove myself worthy of your trust. To the friends who went above and beyond during this process, you will always have my appreciation and deepest respect. Last but not least, I would also like to thank my wife and all of my family members for their love and support during this, sometimes difficult, time. Without them, none of this would have been possible.

## Elba General Hospital officials announce \$5 million expansion and renovation plan

by Ferrin Cox, Publisher

The Elba General Hospital will undergo expansion and renovations costing over \$5 million, beginning in early 2009.

Board Chairman Caber Mills and Administrator Ellen Briley made the announcement Tuesday morning, Nov. 18, at the hospital.

The project will be divided into phases, with the first phase starting in 2009 and taking about a year to complete. It will involve moving and expanding the present emergency room into a new emergency room off that area to the west.

The rooms will be larger, have better wheelchair access and more accessible bathrooms.

The construction will encompass building and equipping all the new rooms to the day's latest standards.

When completed, access to the emergency room and hospital admissions will also move to this area of the complex.

This work will also extend the building out over the parking lot to Drayton Street. During this time and before the new administration offices are constructed, administration duties will probably be conducted from a trailer, Briley said.

When completed, access to the emergency room and hospital admissions will also move to this area of the complex.
